

# What Makes a Good Online Cookbook?

## Opinions from potential users

"A cookbook with quality glossy photos beckons you to try something new"

Barbara

"Great illustrated step-by-step recipes on how to prepare all food from appetizers to dessert"

Mike

"Lots of great photos, easy-to-read large print"

Erin

"Should be engaging, with a unique reading style"

Edna

"Creative, unique and open to your own additions"

Katherine

"Instructions must be complete enough to allow any cook to reproduce the results of the recipe author"

Phillip

"Contains vegan, gluten-free, and whole-foods plant-based recipes"

Vivian

"Comprehensive selection of recipes with an interesting table of contents"

Nathanael
